If the answer to either of these questions is yes, then you should read on.

The Ted and Mary O'Regan Arts Bursary was founded to honour the memory of Ted and Mary O'Regan, a couple who made a lasting contribution to the artistic life of Waterford. It is a bursary that could help you to realize your dream. Are you an arts worker or artist with a significant association with Waterford who finds yourself prevented from achieving an artistic idea through lack of funding OR a Waterford student who seeks this important funding to kick-start your career? All the information that you need is here in this Information Sheet and in the Application Form.

Mission Statement: This bursary will enable a person from, or living in, Waterford City or County, Or having an association with Waterford, to develop his or her creative talent.

Objective : The award will be given to someone who might not otherwise have the funds to achieve his or her artistic potential.

Question 1 What is the Bursary?

A group of Waterford arts workers and friends felt it was important to mark the passing of Ted and Mary O'Regan and created this bursary to help acknowledge the contribution that Ted and Mary made to the arts in Waterford. The bursary is a once-off grant which can be a minimum of €1000 and a maximum of €4000.

Question 2 What is the purpose of the Bursary?

The bursary is to encourage excellence in the arts by assisting arts workers each year to achieve their goals. This can be a student in the pursuit of his or her artistic development, or it can be an arts worker who has an idea or project which could see fruition with some financial help.

Question 3 Who can enter?

The bursary is open to any student who wishes to study in the arts (excluding Post-Grad Courses). Or it can be any arts worker or artist who wishes to develop his or her career further through a project or idea but finds that lack of funding prevents this happening.

Question 4 How may Bursary funds be spent?

The bursary is intended to make it possible for students to study their art forms. It can be used to pay college fees, or other relevant expenses. Student are required to state in their applications for what purpose they intend to use the funding. Or, for existing artists, it can be to help offset costs involved in arts projects, e.g. exhibition costs, venue hire, production costs etc.

The bursary is a once-off grant and covers the year that you receive it. Successful candidates can re-apply in other years.
